A Message From ADVISOR

In a year of student unrest on many university campuses and some high schools in the United States, it was a pleasure assisting those students responsible for making this year's IRONMAN a reality.

As the deadlines neared, the students were concerned they would not be met. But with everyone cooperating—teachers, students, and administration—they were met. The students encountered many problems.

At mid-semester, there was a change in advisers. Mrs. Lynna Scherer took a maternity leave, and I assumed the adviser's role.

This yearbook was a learning process. It was done entirely by the students. They sold the advertisements, they wrote the copy, they wrote the headlines, and dummied the pages. There were errors, as can be expected. Several of the students who worked this year were underclassmen; thus giving the school a nucleus to work from next year.

It was a pleasure working with the students; and I hope the students, staff, administration, friends and families of the students enjoy the 1970 IRONMAN.

Adviser

IN MEMORY

The members of the staff of the 1970 IRONMAN wish to dedicate this page in memory of Paul D. Carlton, a 1969 graduate of MHS who was tragically killed in an auto accident during the summer of 1969. To his family we extend our most sincere sympathy. We shall always remember him for his cheerful character.

WHATEVER'S RIGHT

If you have a friend worth loving,
Love him. Yes, and let him know
That you love him, ere life's evening
Tinge his brow with sunset glow.
Why should good words ne'er be said
Of a friend—till he is dead?

WHATEVER'S RIGHT

If you hear a song that thrills you,
Sung by any child of song,

Praise it. Do not let the singer
Wait deserved praises long.

Why should one who thrills your heart
Lack the joy you may impart?

WHATEVER'S RIGHT

If you hear a prayer that moves you
By its humble, pleading tone,
Join it. Do not let the seeker

Bow before his God alone.
Why should not your brother share
The strength of "two or three" in prayer?

If a silvery laugh goes rippling
Through the sunshine on his face,

Share it. 'Tis the wise man's saying—
For both grief and joy a place.

There's health and goodness in the mirth
In which an honest laugh has mirth.

If your work is made more easy
By a friendly, helping hand,

Say so. Speak out brave and truly
Ere the darkness veil the land.

Should a brother workman dear
Falter for a word of cheer?

Scatter thus your seeds of kindness

All enriching as you go—
Leave them. Trust the Harvest Giver;

So until the happy end
Your life shall never lack a friend.

ROY ROUSH, in his second term, is vitally concerned with providing quality education for all students.

SCOTT TOWSON is in his second full term on the board; and is a dedicated worker for District No. 5.

MERVIL JACOBS, JR. has been a member for many years, and served as president for six of them.

DON CRAFT is serving in his second term on the board. He is vitally concerned with advancing the cause of education.

Sets School Policy . . .

They Make the SCHOOL Go 'Round

SCHEDULES Bill McClard, High School principal, has the awesome task of making up most of the schedules that make the school run smoothly. He also makes the rules enforces the rules, and revises the curriculum.

LEDGERS Mary Renfro, Unit Secretary, has the endless job of keeping the school accounts and ledgers.

It Means, For Them, WORK, WORK WORK!!

INTERVIEWS Roger Britton, Superintendent of District No. 5, finds that he is often involved in interviews. He talks to salesmen, parents, attorneys, and he always seems to find time to talk to the students.

RECORDS Sharon White is the hardworking receptionist who files the students' records, checks the absentees, makes announcements, summons faculty and students to the phone, and issues bulletins.

RECEIPTS Vera Britton has the seemingly endless task of issuing receipts for all money turn in, and then makes out the checks for it.

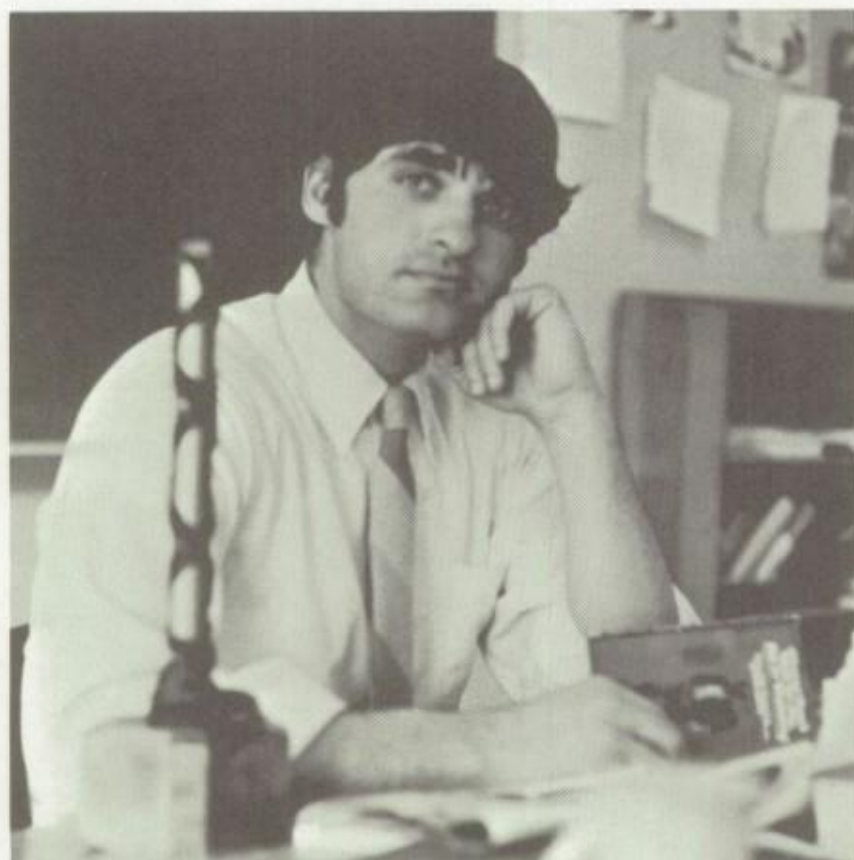

RUTH HILVETY, who is in her second year of teaching here at MHS. She has been extremely busy this year, as she sponsored the Speech Club. The Speech Club was very active during the 69-70 school year. In addition, she taught English and Speech classes. When her duties here at MHS are finished, she goes home to her three daughters Laura, Vicky, and Rhonda; and OF COURSE, Mr. Hilvety.

JESSE HARRIS graduated from Millikin University and occupies her time with her English I and III classes and with molding the students into successful future teachers. She has accomplished the feat of associating the local chapter of the FTA with the national organization.

3 E'S English, English, and More English

LYNNE SWEET seems to be constantly busy. When he is not busy teaching his English III and IV classes, he is directing the Junior and Senior plays. He also coached the Cross-country and Baseball teams. He also serves as advisor for the Junior Class.

Speech, Too, Is Very Vital At MHS

JANE DEININGER enjoys her roll as Spanish teacher at MHS. She is also the sponsor of the National Honor Society, Sophomore Class, Beta Society, and the Spanish Honor Society. She also served as an interpreter for Ana Viaud, this year's exchange student. Her son is a student at the U of I, and her daughter attends Eisenhower High.

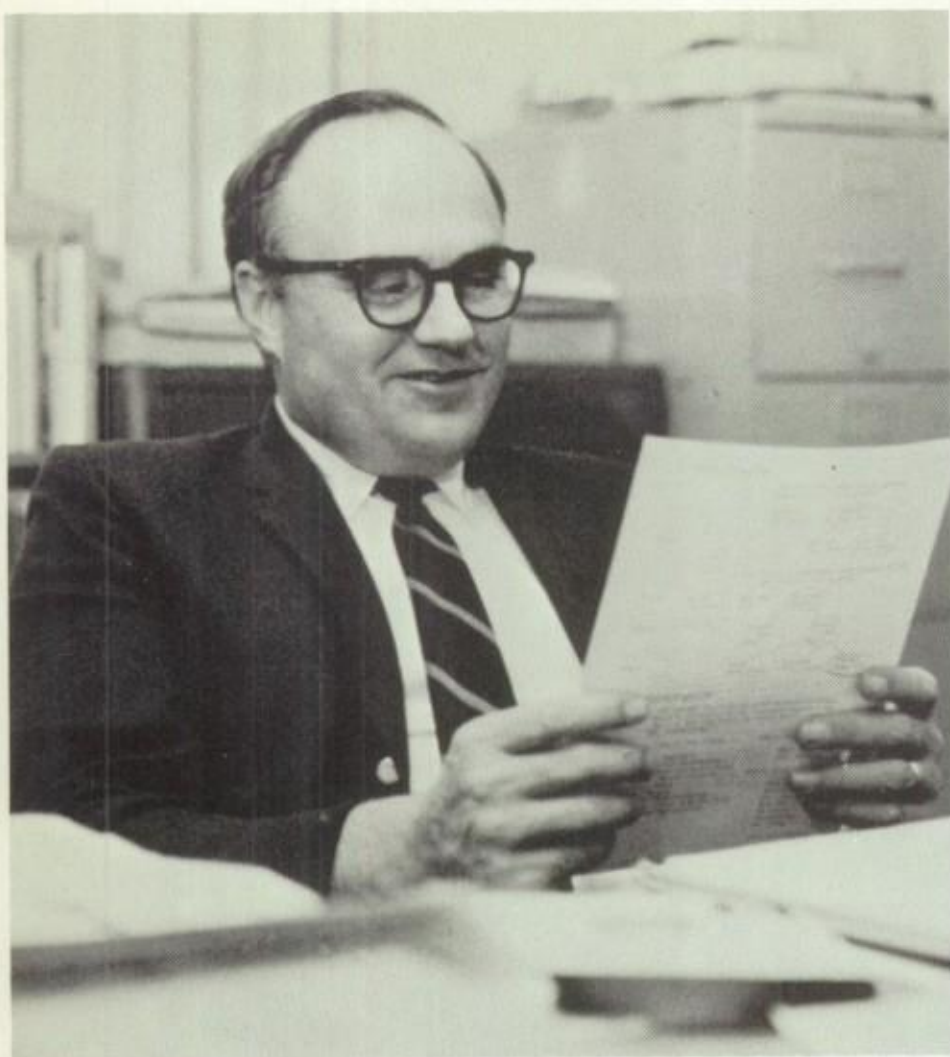

EVELYN WALKER is our dedicated librarian and also a sponsor for the Junior Class. She enjoys reading, cooking, and playing bridge.

CRIS BASS, who took over for Mrs. Scherer at the semester, teaches typing and business classes. She enjoys reading, (mostly fiction) swimming, playing birdge, and is an avid fan of baseball and basketball.

OWEN McCORKLE keeps himself busy counseling the students and advising the Student Council. His favorite sports are football and baseball, and he thinks that Macon should have a tumbling and wrestling club.

LOUELLA PENCE is kept busy making good homemakers of the girls at MHS in her Home Economics classes, and the FHA. She this year saw her hope of having boys enrolled in her "Social Living" class which she teaches with Mr. Glover.

DAVID GLOVER, in his second year at MHS, teaches American History, Economics, and Social Living among other subjects. He, along with Mr. McCorkle, sponsors the Student Council.

JOY CAMPBELL teaches vocal music at MHS. She is the competent director of the annual musical, and this year she headed the smash hit "South Pacific." She received her masters degree from Millikin recently. She lists her favorite sports as being swimming and tennis.

The STUDENTS Make The Choice . . .

Vocal Music or CWT?

JACK STRINGER is kept very busy directing the CWT and Vocational students from Macon. He also teaches Industrial Arts. His favorite sport is football, and he enjoys horse racing. He would like to see a Visual Aids class formed here at Macon, and hopes to see this happen next year.

DAN K. THOMAS, our dedicated band conductor, seems to make a good time out of hard work. Even though his time is taken up largely by band rehearsals, he finds time to sponsor the Sophomore Class. As for his special interests he lists water skiing as one of his favorites. He also enjoys football and basketball.

JACK BURNS, Macon's football coach, saw his team have a very good season. After football season, however, he is not idle. He is kept very busy with his Chemistry, Algebra, and Basic Science classes. His favorite sport, as one might guess, is football.

CARL POELKER, who is in his second year at MHS, has been extremely active here. He was Junior High basketball coach this year, and his teams compiled impressive records. In addition to this career in coaching, he finds time to teach Algebra I and II, Geometry, Trig, and Analytic Geometry.

RALPH COATE is Macon's Life Science teacher. He is also a sponsor for the Freshman class. His special interests include Conservation, and he sponsors the Conservation Club. He is currently working toward his Ph. D. It is only under the competent direction of Mr. Coate that our annual Science Fair is made possible.

Whatever's Right . . . To Teach the Students

DALE SLOAN coaches the MHS Track Squad, teaches P.E., and also is a Drivers' Ed instructor. He has especially enjoyed this track season, as he saw his squads "carry home the hardware" by winning the Meridian Varsity and Freshman-Sophomore Meets, and placing third in the Macon County meet. His favorite sports and hobbies include: fishing, golfing, basketball and football.

SUZANNE BURNS is always involved in something at MHS. She sponsors GAA, Pep Club, and is advisor for the cheerleaders. She also teaches P.E. to our girls. In her spare time she enjoys reading, working with old furniture, antiques and all sports.

PHIL SARGENT is Macon's Athletic Director and head basketball coach. He also teaches World History, P.E., both the classroom and driving phases of Driver Educations, and is assistant football coach. Mr. Sargent is also sponsor of the "M" Club.

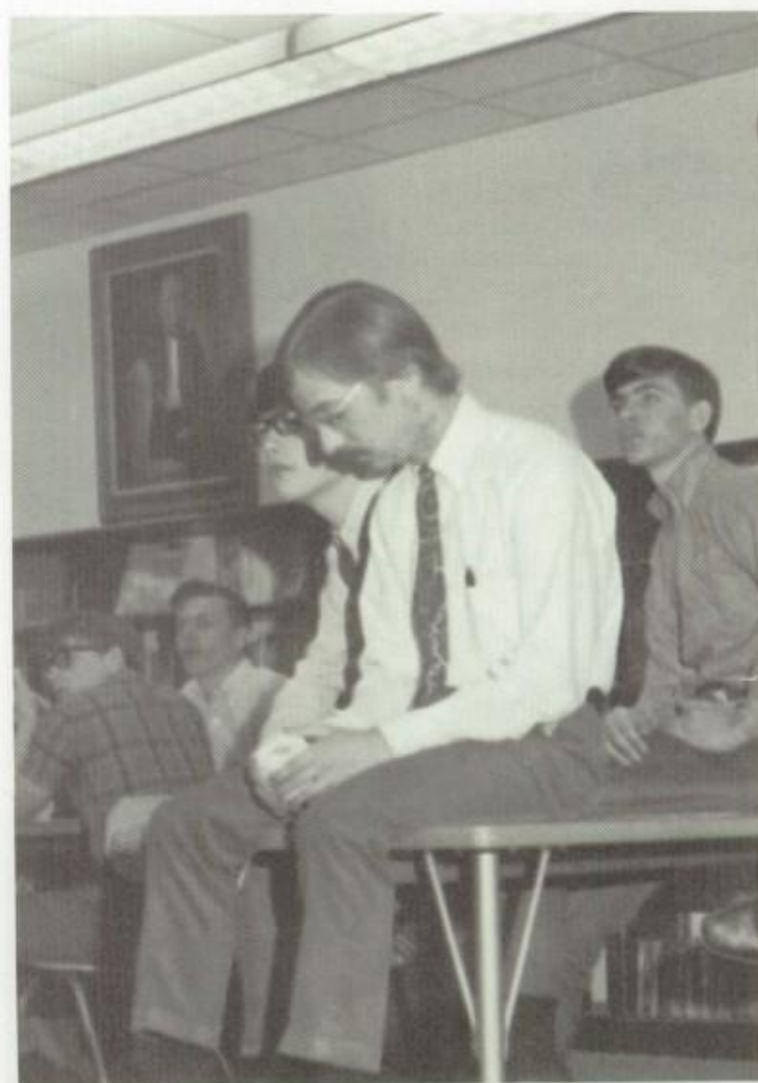

LYNNA SCHERER taught typing, bookkeeping, and basic business before taking a maternity leave at the semester. She also served as the adviser for the Yearbook and Newspaper staffs during the first semester.

ROBERT SHARP assisted Mrs. Hilvety with her speech classes, and also worked with Mr. Glover in history classes.

Teaching Business, or just practicing, It's ALL at MHS!

JAMES NOVAK, our other student teacher this year, worked with Mr. Thomas in the instrumental music department.
